Dear Madams and Sirs,

We'd like to express our sincere appreciation towards your long-term support to CPT, which connects to our mutual business growth in the past few years and we highly cherish this precious partnership with your company.

Meanwhile, with the big rise of other application demand, capacity limitation, and more competitive, CPT has to adjust its production more appropriately. Therefore, we had a big decision to make, to end production of CLAA057VA01CW & CLAA057VA01CT. And we will have a replacement model for your running change.

Please accept our regrets at causing any inconvenience to you, and we would like to suggest the perfect timing to change from CLAA057VA01CW & CLAA057VA01CT to more competitive CLAA057VC01CW & CLAA057VC01CT, we believe this smart choice would bring you a more profitable market. Of course, CPT must do its best to support your demand.

Best regards

Helen Chang 張雅綾 2010,09,06.
