1) Product list to place Final Delivery for Last Time Buy Order at September 30, 2015

We would like to manage phase-out and discontinuation of the option inverters within the following schedule.

Please note that the acceptance period of the last-time-buy order is not same of inverters and lamp holder sets as the spare parts* of the LCD modules.

* The term "spare parts" means inverters and lamp holder sets as replacement parts of inverters and lamp holders which are originally installed in the LCD modules.
