Change of CN2 for the LED driver**

1. Applicable products

Size	Resolution	Type name
15-inch	XGA	NL10276AC30-52C
15-inch	XGA	NL10276AC30-58F

2. Change description

Due to discontinuation, CN2 for the LED driving board will be changed to another maker's equivalent one. According to this change, the color of the connector will be changed.

Because pin pitch and dimensions of insertion port of the connector are same as current one, the current adaptable plug can be used continuously. And there is no change on connectivity.
