**Special phase-out notification for
NL10276AC30-42D and NL10276AC30-45D
Document Tracking Number: TMJ-PP-2265**

This is a special phase-out notification for the TFT-LCD module 15.0-inch NL10276AC30-42D and NL10276AC30-45D, due to the discontinuation of a key component needed in the production of these products.

We have reviewed multiple options for a product design change in order to accommodate the loss of this key component and continue production. However, after careful consideration, we decided to phase-out these products because it is impossible to support the change needed without significantly impacting other product related specifications.

We kindly ask all of our customers to review the below phase-out schedule and take note of the key dates. Your kind understanding and cooperation will be highly appreciated.

The document is the update of TMJ-PP-2176. Recommended substitute P product type name for was revised form TMJ-PP-2176.
